Revised: 07/2009

Note: All Feats must be witnessed by at least one member of the Opposing Team. All Feats must be documented PRIOR to beginning the next game (not set; game). All Totals MUST be placed on the Score Sheet or WILL NOT be counted towards your all start points - these CANNOT be turned in after the score sheet. The Feats Sheet DOES NOT have to be turned in with the score sheet so keep this for your records (I would suggest each team keep it with their feats and AT LEAST the totals for each player of the opposing team). If any questions or any clarification needed Contact the JDA President.
